

**SIESTA HILLS COMMUNITY – SOCIAL GATHERING AT JAVENS WINERY
THURSDAY, AUGUST 17, 4-7 PM - 20011 589TH AVENUE, MANKATO**

We will have exclusive use of Javens Winery for Siesta Hills on August 17. The winery is a 5 minute drive from Siesta Hills, so it's in our neighborhood. The gathering is for all current residents, everyone who owns a lot, and anyone considering purchasing a lot or townhouse. If you have friends interested in buying at Siesta, invite them. More owners and residents at Siesta Hills will help us all. The details:

SHADED PATIO: Their large outdoor patio is completely covered with a tent, sun will not be a problem. Order your refreshments inside, and come out to the patio.

REFRESHMENTS: Javens sells their various wines by the bottle or the glass. They also offer slushy wine drinks, beer, soft drinks, and water.

FOOD: Javens sells minimal snack items. But we are allowed to bring food along onto the patio. Bring whatever you want to compliment your refreshments. We are not planning on sharing food or having dinner, just bring what you want for yourselves.

MUSIC: *Kaleb & The Old Guy*, a grandfather-grandson combination, will play for us from 4:30 to 7 PM. They play old hits that people our age will remember.

COSTS –We will take a free-will collection to cover the cost of the band.
